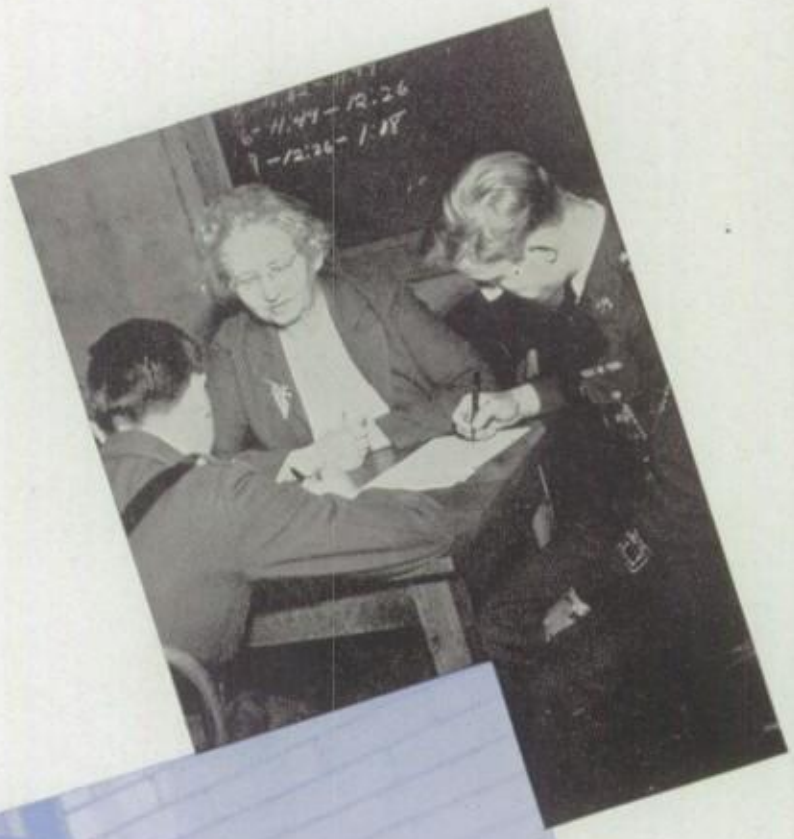
CHICAGO

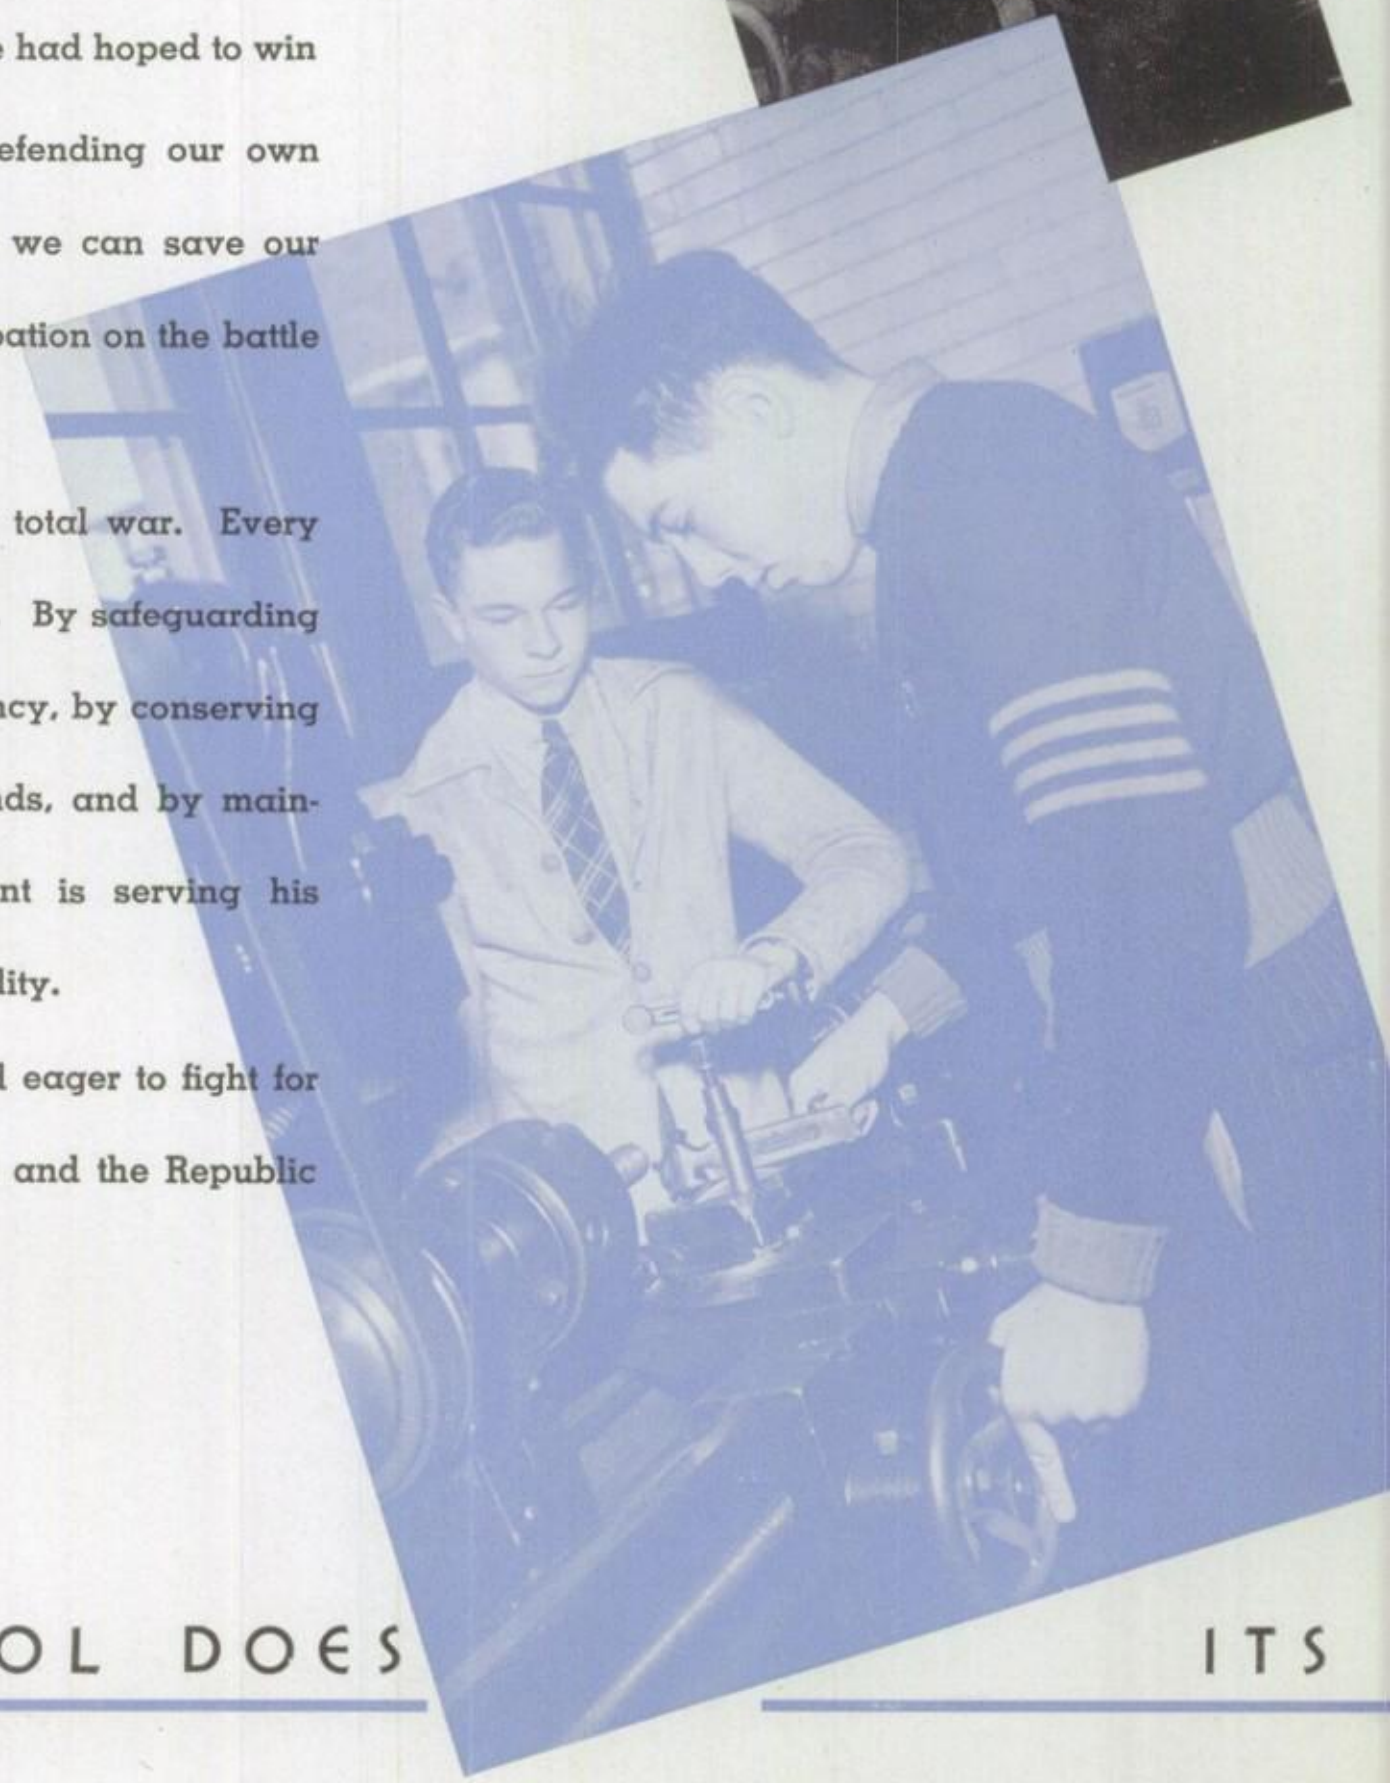
FOREWORD



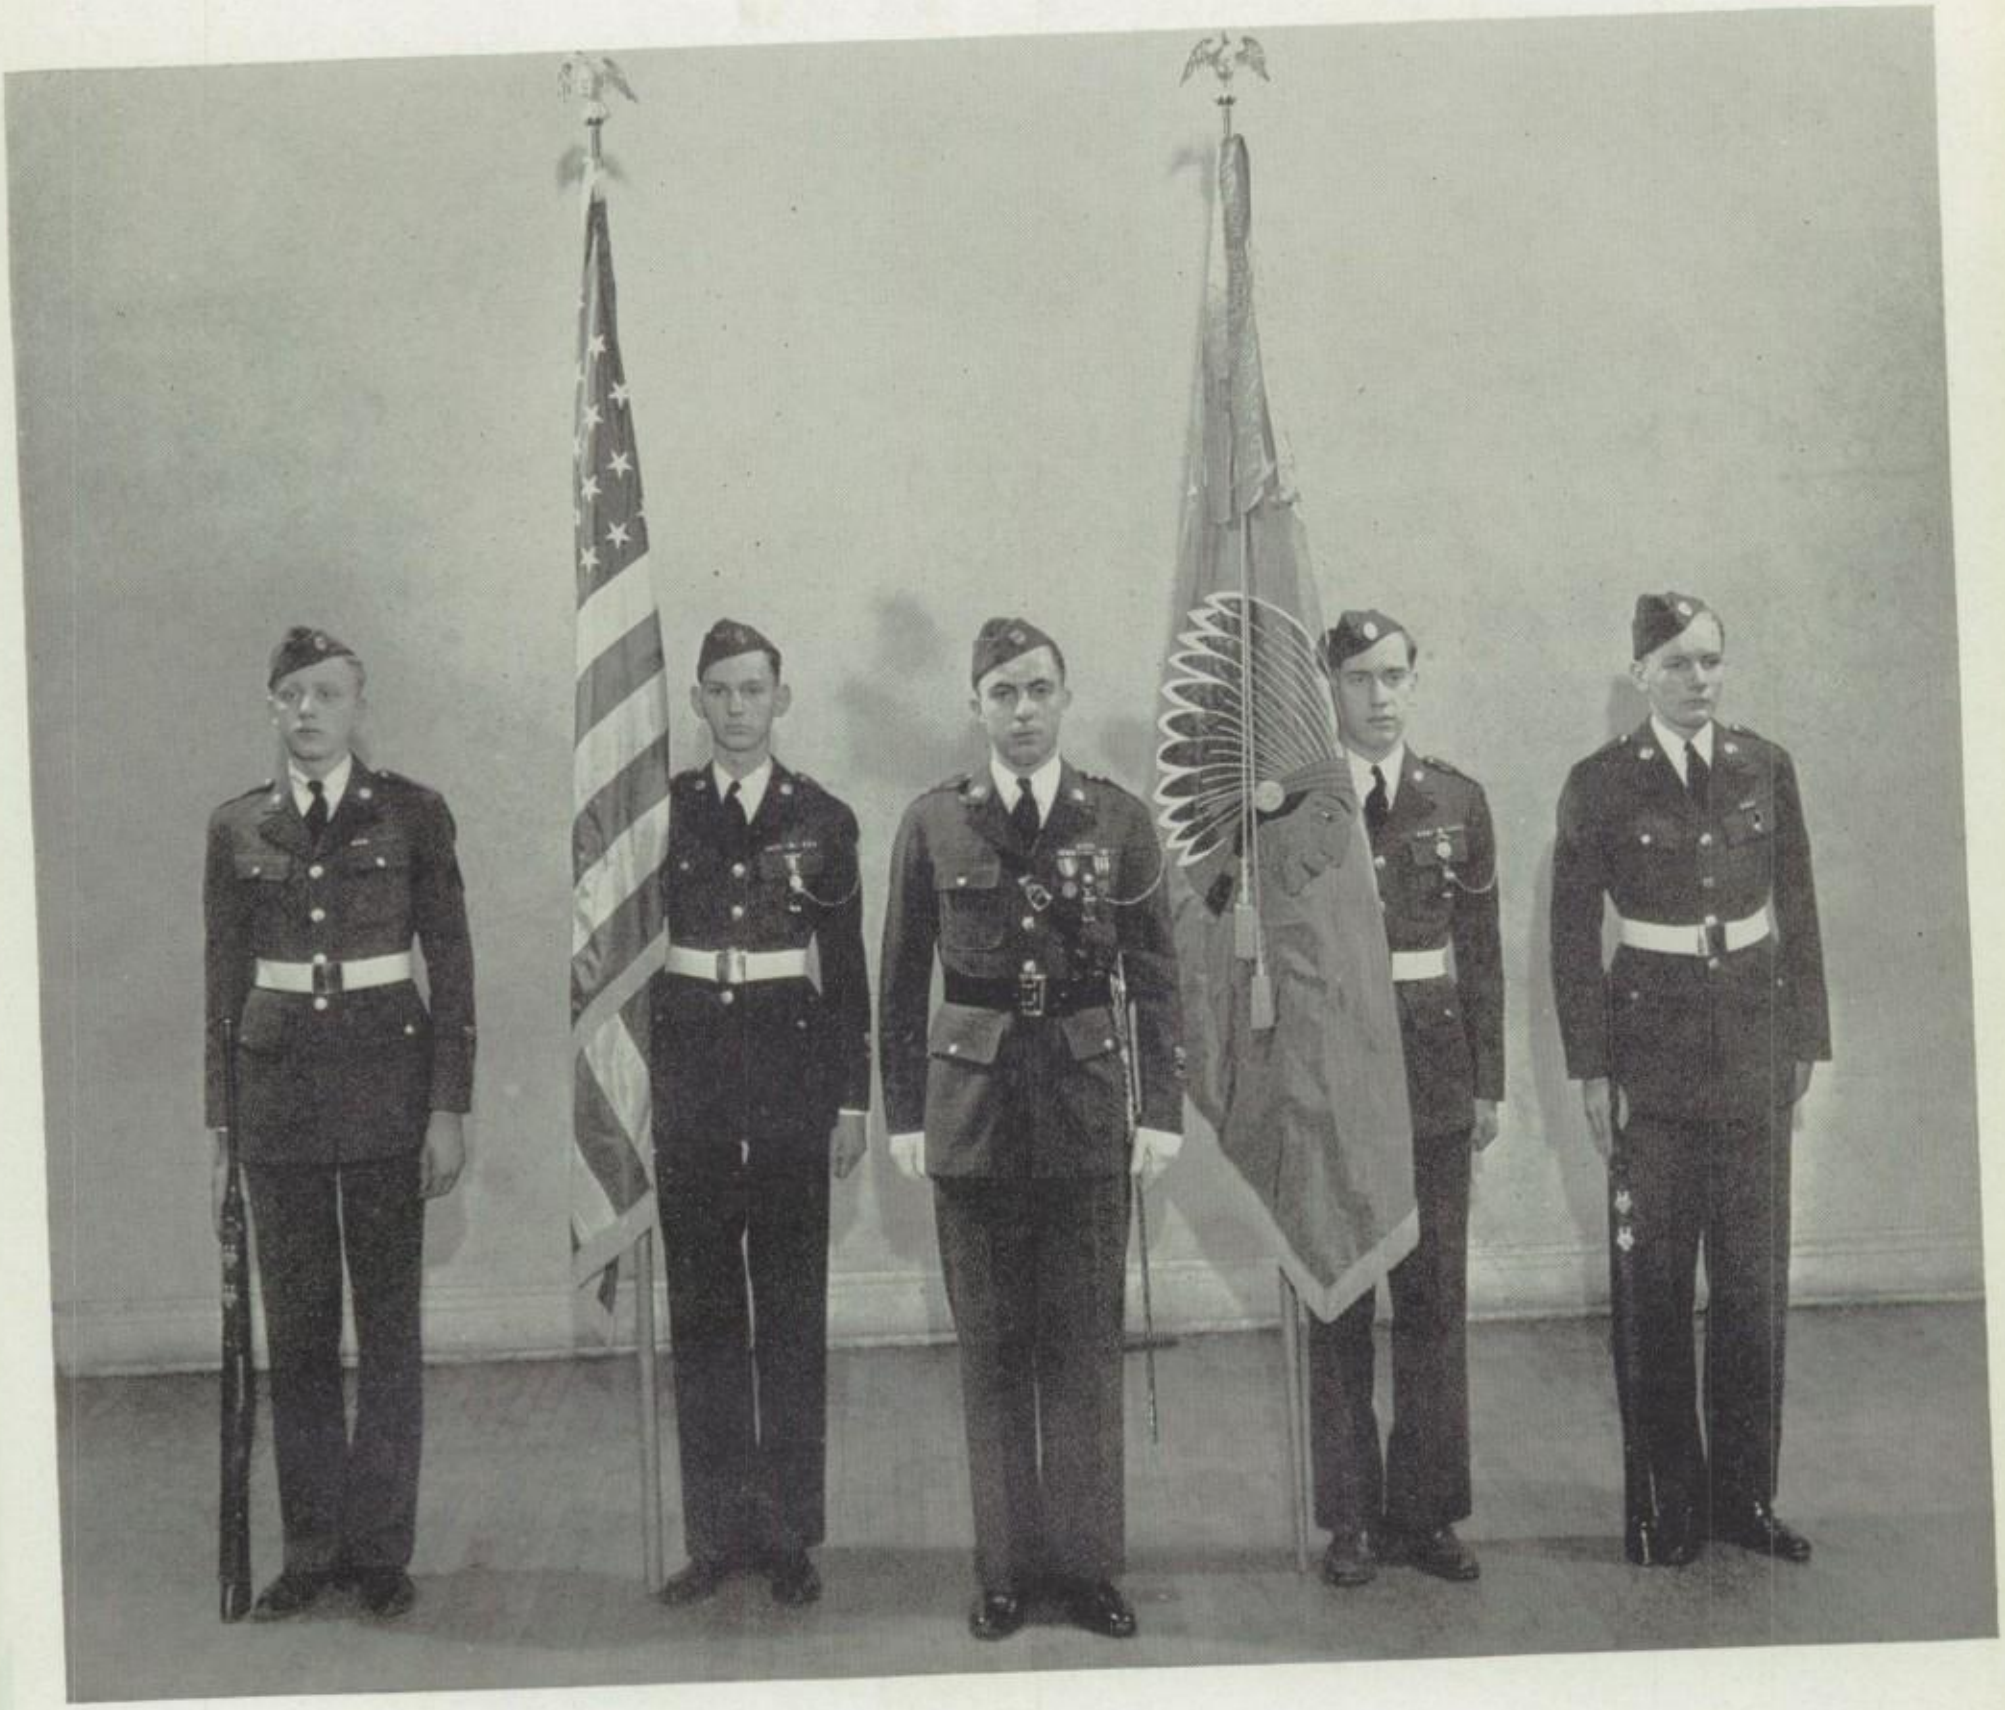
We had hoped to win in this world struggle by defending our own shores. Now we know that we can save our nation only by active participation on the battle fronts.

We are now committed to total war. Every pupil in Calumet is a soldier. By safeguarding health, by developing efficiency, by conserving material, by contributing funds, and by maintaining loyalty—each student is serving his country to the best of his ability.

Later he will be ready and eager to fight for the Flag of the United States and the Republic for which it stands.



OUR SCHOOL DOES ITS



PART IN THIS ALL-OUT WAR FOR SURVIVAL

DEDICATION

To the boys of Calumet, who are following the Colors into the armed forces of the United States of America, we dedicate this volume of our Temulac. And with our dedication we pledge our undying love and loyalty.

May our prayers bring them safe back to us . . . After they have routed the enemy, won for us the Victory, and laid for us the paving stones over which we shall walk toward the establishment of a just and lasting PEACE.

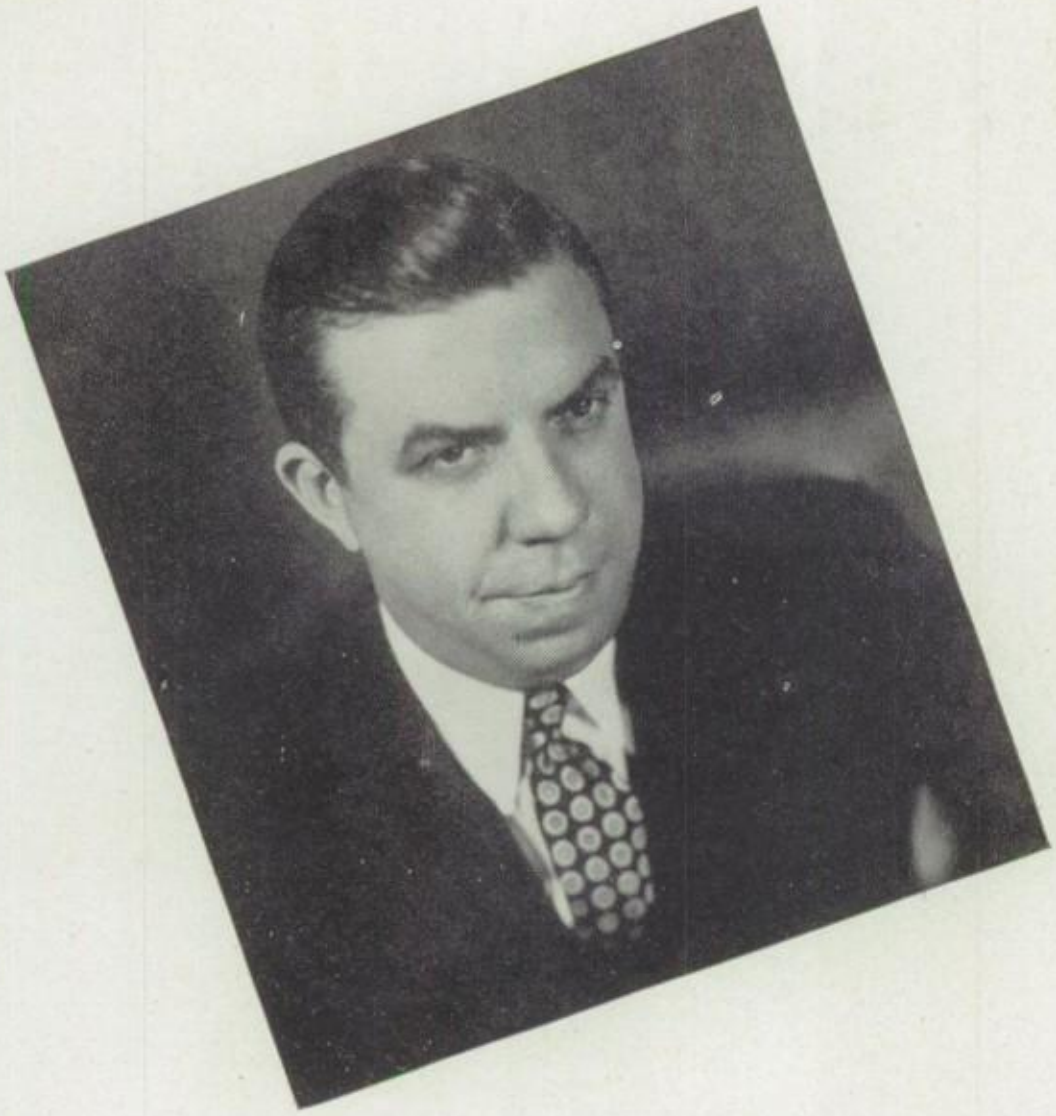
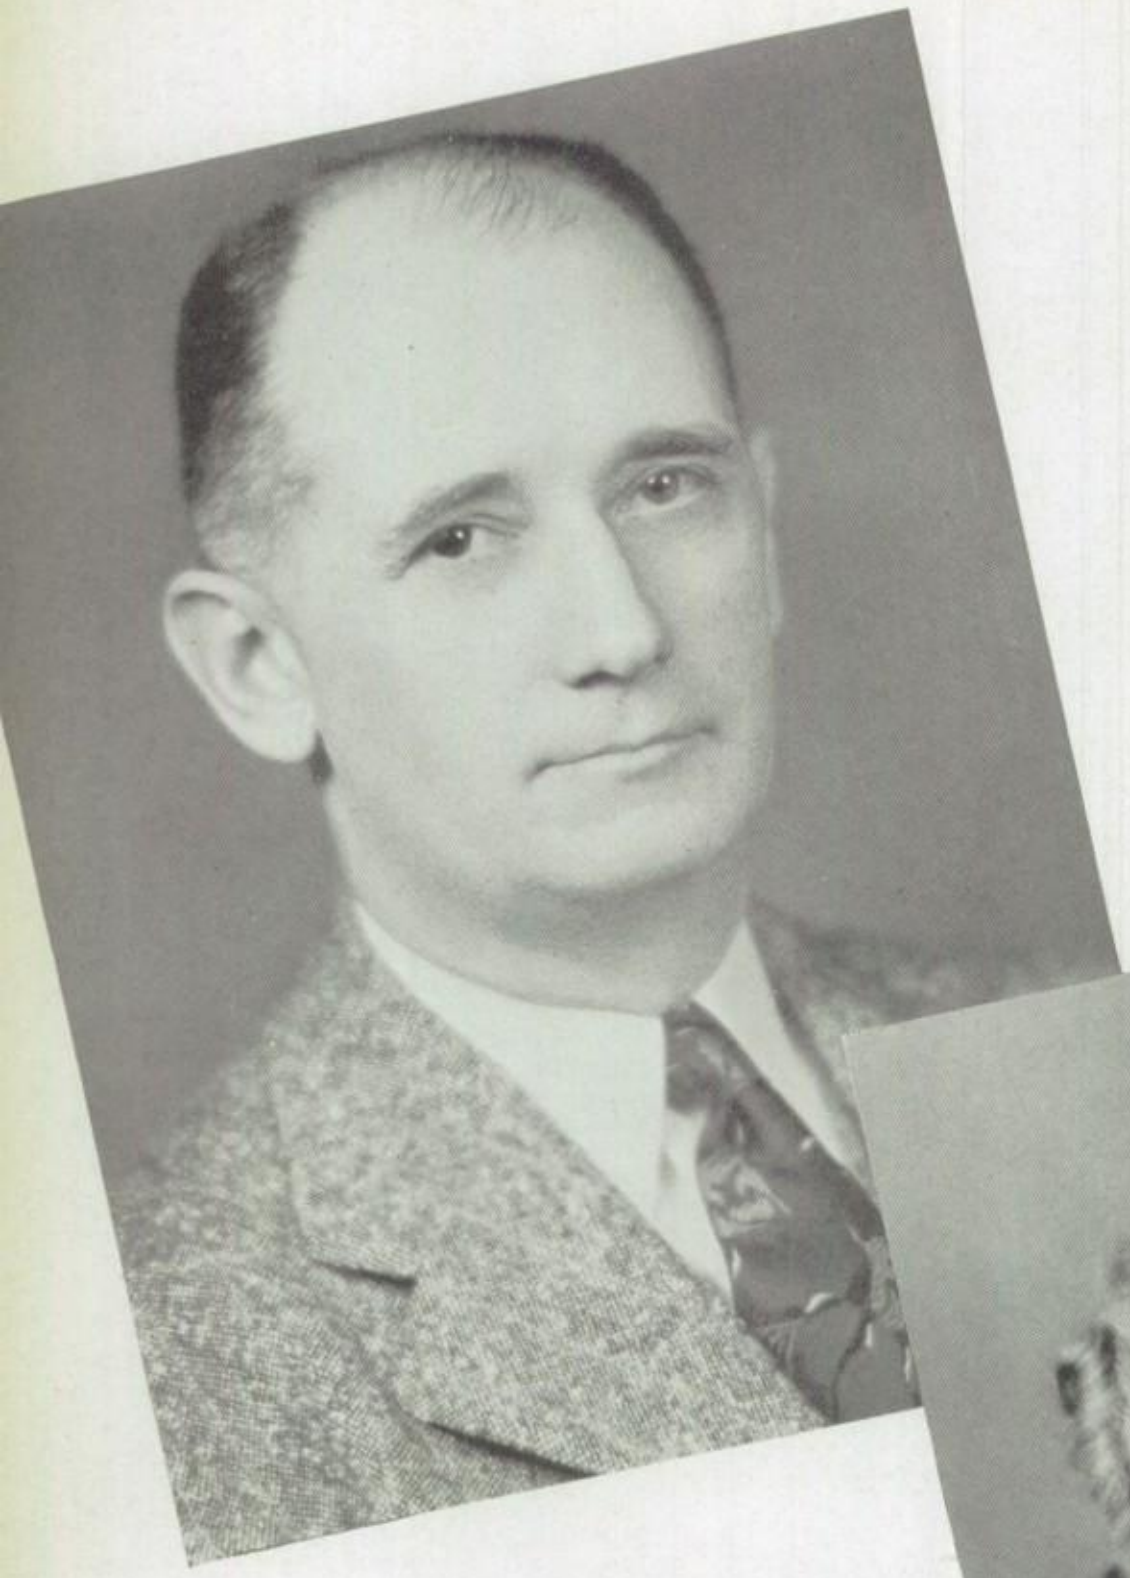
PRINCIPAL



A MESSAGE *from* OUR PRINCIPAL

Every true American, loving democracy and peace, has directed his efforts toward those ends for generations. Why then, you might ask, have we of the past generation failed? Why are we now involved in another great war in the defense of democracy? Will it ever be possible to have peace on this earth for all? We might spend much of our time looking backward with regret. Shall we? No, rather let us look forward, and plan together for the future with the feeling of hopefulness which has always characterized our nation. Every Calumet student will play some part in the world tomorrow —some in war, and others in peace.

As we face the greatest task America has ever encountered, let all of us do our part in the home, the school and the community, and let us press onward hopefully and courageously to the things which lie ahead.



ASSISTANT PRINCIPALS

MR. EGBERT HUNTER
MISS KATHRYN COYLE

Miss Coyle holds a warm spot in the hearts of Westcott pupils because of her genuine interest in their welfare. Mr. Hunter is regarded as a friend at Calumet because of his genial smile and because he understands young people and their problems.

The members of these groups are top-students at Calumet. They lead in scholarship, in citizenship, in initiative, in ingenuity, and in dependability. They are the human material which will provide the intelligent leadership necessary not only to win the War, but also to win the Peace which will follow.

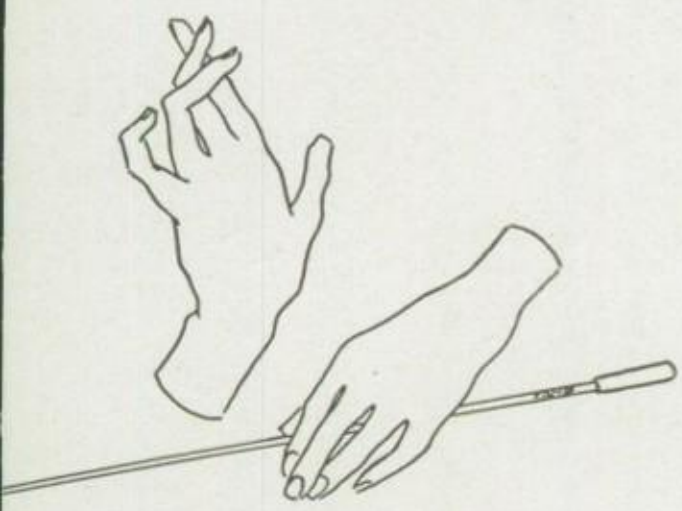
MUSIC one of the highest of

Musical organizations at Calumet are a distinct contribution to the culture of the community. Concerts by band and orchestra, and musical shows utilizing Calumet talent are always of high quality.

THE FINE ARTS



Calumet's Swing Band

THE BAND

Calumet's Band is an organization of which the school is proud. Perhaps some members will find their way eventually into the great Military Bands of the Nation.

At present, band members are learning military discipline and aiding the War effort by playing at Defense Rallies.

THE ORCHESTRA

Recreation is important in War. Talented students of Calumet have an outlet for their pent-up emotions in the Orchestra. The music department of Calumet has done much to help boost the morale of our fighting forces by playing for many Defense Rallies.

DRAMATICS

Mrs. Harms

Mrs. Delehant

Out of Mrs. Harms' very popular Drama classes, after some time of shouting, dashing, and last minute memorizing, emerge the annual Drama plays. These classes also are largely responsible for the annual Variety and Vaudeville Shows.

This semester there has been even more frenzy and bustle because some of the class members are working in radio plays and assemblies.

Because of the war, another activity has been added: members of the group have been working on skits which were given at a Civilian Defense meeting. They plan to do their share for National Defense.

BACK ROW: Mrs. P. Harrison, Mrs. E. Kohlmann, Mrs. J. Cunningham, Mrs. A. Engstrom, Mrs. F. McMackn, Mrs. J. Prendergast, Mrs. R. Barnes, Mrs. W. Kumpfer. FRONT ROW: Mrs. J. Flood, Mrs. G. Chaves, Mrs. L. McClelland, Mrs. J. Davidson, Mrs. E. Becker, Mrs. A. Logus, Mrs. H. Andreason.

This year the 350 members of the P. T. A. have been busy. They have donated $100 toward the purchase of choir robes for Calumet's A Capella; $50 to Student Aid and Scholarship Fund; $5.00 to Children's Scholarship League; $5.00 to Juvenile Protective league; $3.00 to Bogan Memorial Fund; $2.00 to the Heart Fund; and $2.00 to the Montifiore School.

They also have sponsored the open house at Calumet in December, two teas for the mothers of freshmen, a Community Night and a social hour after each meeting.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League is a national organization to which all students studying Cicero and Vergil may belong. Its purpose is to further interest in the classics. The present officers are: Stella Pallas, president; La Verne Zimmerman, vice-president; Lester Fahrner, secretary; Robert Schussler, treasurer.

CALUMET ASSISTANT LIBRARIANS

These bright-faced young persons assist Miss Louise Randall in the library service to the students and the teachers of Calumet. They earn honor points each semester. At the close of each semester they receive library service letters.

SCHOLARSHIP CLUB

The Scholarship Club is the pride of Calumet. Its members are drawn from the upper third of the student personnel. But although scholarship is the primary requisite for membership in the organization the Club can boast, also, of the high character and solid citizenship of its members.

GIRL RESERVES

The Girl Reserves enable girls in wartime, to relax and release tensions that present emergencies bring. Hayrides, dances, parties, discussions, speakers, and trips fill a wellrounded program.

JUNIOR RED CROSS

Because the war is taking so many nurses and doctors from home, the civilian population must be trained in first aid, and prepared to meet any emergency that may arise.

Every hour of the day one finds the members of Calumet's Junior Red Cross working on articles to send to the fighting forces.

TWIN CLUB

You're absolutely correct . . . the Twin Club is composed of "doubles or nothing." Yes, the presiding officers come in pairs and even Mr. Bechtolt, the club's sponsor, is a twin. To be sure, these twin Calites thrive on double-feature entertainment galore.

GIRLS' SERVICE LEAGUE

Members of the Girls' Service League write newsy letters, and send Calumet Criers to Calumet boys in the army, navy and air corps. They also collected, in cooperation with the R.O.T.C., the names of almost 250 former Calumet boys who are now in the armed forces and to whom the Memorial Day Flag was dedicated.

GARDEN CLUB

"All out" in this war effort means more than self-denials, and conservation of war materials. The present crisis suggests the importance of intensive farming. Yes, the Calumet Victory Garden Club, sponsored by Mrs. Roberts, has done its part in this project.

THE CAL-CUTTERS

Whiz . . ! whiz . . ! whiz . . ! Yes, this is the familiar sound emerging from the speedily revolving wheels of Cal's roller skaters. Although the Roller Skating Club is in its infancy, it is very mature in the art of skating. The club, sponsored by Mr. Altman, offers wholesome recreation to wheel-conscious Calites.

THE RADIO CLUB

Officers in the U. S. Army Signal Corps! That is what Calumet boys in the radio club are endeavoring to become. This club, sponsored by Mr. Solomon learns many things of value to National Defense. They will some day be qualified for the Signal Corps, because of their knowledge of radios.

KIWIETTES OUR AIR-MINDED GIRLS

The Kiwiettes were organized by Mr. La Pointe when he taught aviation at Calumet. Members are supposed to be interested in some form of aviation as a career.

Mr. La Pointe has left Calumet to be an instructor at an air corps field and in his place is Mr. Freestrom doing splendidly as the present sponsor of the Kiwiettes. Every year they use the money earned at their annual skating party—always a huge success—for various causes which benefit the school.

HOME MANAGEMENT CLUB

After the war is over, and the world is at peace, the women of the nation will have their part in the reorganization of the new society which will emerge, and in solving the problems of reconstruction. Members of the "Home Management Club," because they had training in home economics, will be prepared for this job. They will be able to teach others who have not had such training, and to act as leaders in the rehabilitation of the nation's homes.

This club is sponsored by Mrs. Carrie Barlow. Lois Barlow is president; Marge Goebel, secretary; and Shirley Ryan, treasurer.

THE MODERN WORLD TODAY IS NOT

THE FRENCH CLUB

The French Club is indeed what its name suggests, Le Cercle Francais. Miss Haley, the sponsor of Le Cercle encourages not only the acquisition of fluently spoken French, but also maintains certain recreational features that make the meetings interesting as well as enjoyable.

THE PAN-AMERICAN CLUB

The purpose of this club is to promote a better understanding between all countries in the Americas and to encourage proficiency in the speaking of Spanish. Only advanced students of Spanish may qualify for membership.

Mrs. Margaret Spencer is the club's sponsor and Irene O'Connor is its president.

THE GERMAN CLUB

Kannst du deutsch sprechen? If so, you would feel at home at a meeting of the German Club. All business, including the little entertainments and singing which comprise the meetings, are conducted in German to enable the student to exercise his vocabulary.

NATIONAL • IT IS INTERNATIONAL

Twenty-six officers, and seventy-six non-coms head R. O. T. C. Wendell Zimmers, whose desire is to make the Army Engineering Corps his life's work, is well on his way toward achieving that goal for he has attained the rank of Colonel of the city's R. O. T. C.

R. O. T. C.

We are engaged in a great war, one which will determine whether the right to life, liberty, and pursuit of happiness will one day prevail throughout the world.

Calumet's Officers' Training Corps is destined to do its utmost for the preservation of these rights. Because our able-bodied, splendid young men are aware of their responsibilities and prepared to meet them, Calumet's R. O. T. C. was classified as one of the city's leading units at the annual Federal inspection.

SENIOR GIRLS' COUNCIL

The Senior Girls' Council is truly one of Calumet's most worthwhile clubs and it deserves a great deal of credit. It is an organization of those girls in the graduating class who are the most outstanding in scholastic ability and initiative.

The group sponsors the semi-annual Frolics, gives a tea for the mothers of the graduates, and works on other school activities.

This semester even more has been asked of the Council. Our nation is at war and it is the patriotic duty of every freedom-loving American to do everything in his power to help us win. The Senior Council members do not consider themselves exempt. They organized the sale of war bonds and stamps at Calumet. After this successful venture, they began another drive to salvage waste materials. These were no small undertakings for such a group, but the Senior Girls' Council only considers this their share of the war effort.

In the crisis America is facing at present, our hall guards, safety council, movie operators, and clean-up campaign committee members, acquire a new and greater importance.

The movie operators are undoubtedly one of the most active groups in the school. They operate the machines that show the movies loaned to the school by the Board of Education for use in the different educational departments.

And now that air raid drills are part of school routine, hall guards

are invaluable in enforcing rules. The Safety Council, also, functions in like manner.

Last, but not least, come the Clean-up Campaigners. This year they not only cleaned up; they also sifted out and gathered up quantities of articles valuable to the war production program.

Something New Has Been Added! ! ! A new staff and advisor; Miss Swain. She took over the Calumet Crier last September.

With them came new ideas: The Rotogravure Section, Special Christmas Edition, and a "superglobslopshus" April Fool number.

Each week from the cubby hole behind the Auditorium balcony comes the Calumet Crier filled with the latest news, styles, jokes and—gossip.

Wherever there's news you'll be sure to find a Crier reporter ever ready with his pad and pencil.

The Crier is one of the only newspapers that subsists without subscriptions.

The Crier aims to promote school spirit and the sale of Defense Stamps.

YEAR

The 1942 edition of the Temulac is the most important volume Calumet has ever produced. Why? Because it is the ONLY Annual ever published which contains the names of almost TWO HUNDRED AND FIFTY former sons of Calumet who are now fighting for the preservation of our nation.

FOR 1942

The editors regret that they were unable to collect the names of every fighting man before the Temulac went to press . . . But they have done their best to make the 1942 Temulac a significant souvenir of this momentous year in the history of Calumet.

A. C. C. L. • • STUDENT COUNCIL

Unlike Calumet, the Westcott branch has two groups which are responsible for organizing and providing entertainment for Westcott students. They are the Westcott Student Council and the A. C. C. L. The A. C. C. L. provides assemblies and socials for its members. The Student Council sponsors many of Westcott's movies, the letter assemblies, and their Rose Day. The officers of the Council are: Bill Marshall, Janet Nisbet and True Surber.

WESTCOTT B. A. A.

WESTCOTT B. A. A.

BACK ROW: Smith, Vice-President. FIRST ROW: Shu maki, McGoldrick.

On the sporting scene at Westcott, the B. A. A. and the G. A. A. Board of Sports are the leading organizations. The B. A. A. leaders organize all sport activities for the boys and the Board of Sports, headed by Marion Laing, is responsible for girls' sports and tournaments.

There is a Junior Honor Society to which a very large part of Westcott belongs. This organization is in charge of service letters as well as scholastic honors.

JUNIOR HONOR SOCIETY

WESTCOTT BOARD OF SPORTS

SECOND ROW: Feltz, Campbell, Morris, Miller, McGinnis, Sponsor; Wiltser, President; Levitt, Hedeen, Montague. FIRST ROW: DeBolt, Peterson, Enroth, Bisch.

WESTCOTT RED CROSS

BACK ROW: Hill, McFarland. FIRST ROW: McCampbell, Mills, Sponsor; Levitt.

One of Westcott's most popular clubs is its Drama Club. Each semester the club puts on at least one play. This year they gave a comedy, "Everybody's Crazy Now."

The money collected is usually spent to supply material for the English department. Mrs. McGinnis is the sponsor. Another popular club is the Choir—previously sponsored by Mrs. Dilger and now by Mrs. Curtis. This group adds much to the entertainment of the students. An important organization in peacetime, the Junior Red Cross, sponsored by Miss Mills, is rapidly taking on more and more responsibilities in making Westcott aware of its part in the war effort.

The February Class of 1942 graduated in an atmosphere unlike any other class in recent years. Two months before their graduation, the United States had entered the World War. But, the class set about graduation as usual.

The speeches delivered that night could not escape having interwoven in them thoughts of war, and the willingness of each student to do his part was apparent. As a symbol of helpfulness and patriotism, the parting gift of the class to the school was a fifty dollar United States Defense Bond.

Richard Alm was Class Orator and top math student of the class. Virginia Murphy was valedictorian, and Delores Nicosia salutorian.

This class was made up of only 214 graduates, but its importance was manifested in the cooperation, friendliness and goodfellowship displayed by each and every member of the class.

"Parting is such sweet sorrow." Certainly every member of the Class of June, 1942, expressed that sweet sorrow on commencement day. These fine young men and women, who have prepared themselves to undertake the responsibilities and duties of life, entered into a new world. They made their debut into a world, war torn and filled with catastrophe. However, they entered this strange world with the hope, determination, and confidence that some day soon all might be at peace again.

The June Class of 1942 manifested its importance through the cooperative work and leadership of its class members. Among the celebrities of this class are: Cliff Allen, Shirley Anderson, Lois Barlow, Edward Finnegan, Shirley Kincaid, Chuck Johnson, Shirley Lowry, Patricia Prindiville, Allen Sandberg, Betty Woodward, and Wendell Zimmers. Perhaps tomorrow will find that the executives of our city and country have been the members of the Class of June, 1942.

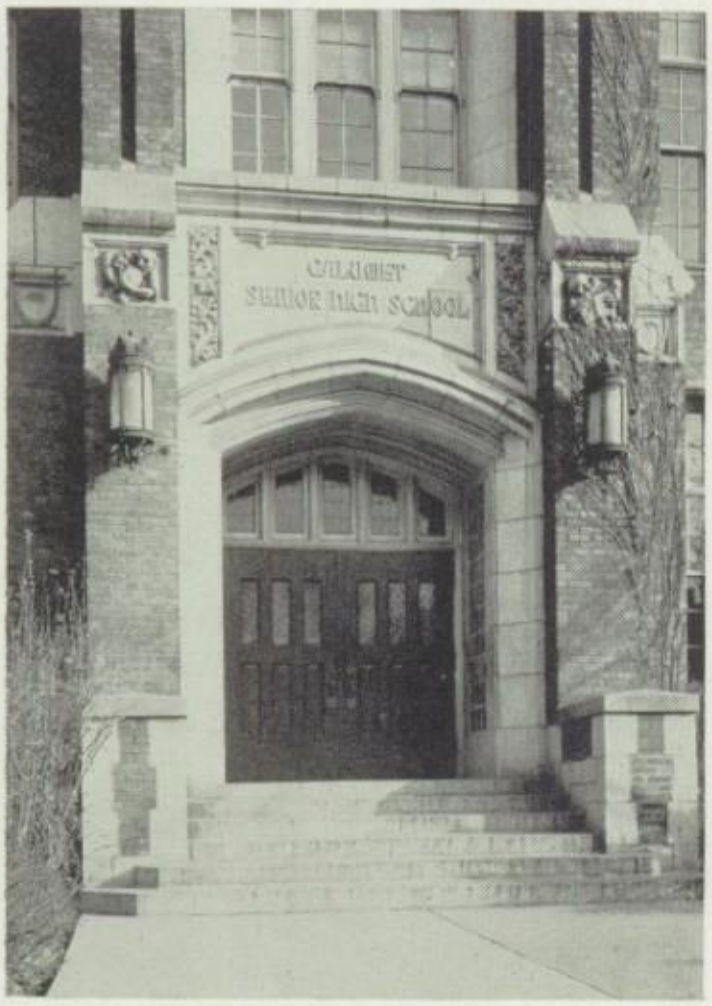
CAMPUS LEADERS AT CALUMET HIGH



CARICATURED BY

Rogalski

Popularity, achievement, charm, service, and that winning personality, were important factors in choosing Cal's most outstanding seniors.

Yes, today they're the leaders of our campus; perhaps, tomorrow will reveal that our country's executives were former Calites.

DENISE SCHULTZ seems to fit the title "Busy as a bee," to perfection. Denise has been an editor on the Crier for two semesters. Presiding over Cal's foremost club for the past year, was our fine football hero, and fancy rug cutter, the honorable president of the A.C.C.L., **CLIFF ALLEN. WENDELL ZIMMERS** is well on his way toward attaining his goal. Yes, since he is the top ranking officer in the R.O.T.C., West Point is practically a dream come true. **SHIRLEY LOWRY** manages to be sweet and lovely as well as to retain her brilliance in the scholastic field. Shirley is salutatorian of the June class. "Ginny," a cheerleader, a prominent member of other groups too numerous to mention is lovely **VIRGINIA HARLAN.** You've seen **LARRY McERLEAN** at those basketball games. Yes, it was "Big Mac" who scored so many points for our team during the last season. **ALLEN SANDBERG,** besides being the highest boy in the graduating class, possesses a sparkling personality, and plays a fast game of football. **PATRICIA PRINDIVILLE** is that charming lassie who is living proof that brains and beauty do come together, being valedictorian of her class.

"DO I LOOK LIKE THAT?"

"WHERE DID I COME FROM?"

That petite young lass who ever so often tiptoed through the halls of Calumet attaining whatever she had set out for was **MARY TOLEN.** One of the busiest and most popular girls, **ELAINE ERICKSON** was chosen as Calumet's best citizen. That charming "Crier" personality, the possessor of those twinkling eyes and never failing smile is none other than **SHIRLEY RICHARDSON. ELAINE LARSON** with her charm and high scholarship joins the ranks of the outstanding Seniors. "Suggestions, please," "Do you all agree?" those were the words used very frequently by none other than **JEROME FINIS,** the Senior class president for June, 1942. Being president of the February class, handsome leader of the school band, and R.O.T.C. Major are but a few of **GEORGE JANDACEK'S** accomplishments of his high school career. The lovely, blue-eyed brownette who possesses that mellow voice, has taken part in Cal's variety shows and assemblies—**CORINNE ISAACSON.**

That amiable lad with the orchestra, member of the National Honor Society, and a prominent member of that all important prom committee is **MIKE LULU.** Here is a real top flight senior, **VIRGINIA MURPHY** was validictorian of the February class. One of our famous grid warriors and a drummer who's hard to beat, a fellow with personality plus, it's **JUHL KAUFFMAN. JACK PATTERSON** was not only one of Cal's foremost actors, but also one of its most brilliant scholars. Having seen "All Carrs to the Rescue," you can't help but know that **LUELLA CARLSON** might soon become another Helen Hayes. **LOIS WHITE** is known as G.A.A. President but even better known for her talent in ventriloquism and her little dummy, "Red."

"WHAT PLACE SHALL I FILL?"

You've guessed it, that brains plus beauty girl is definitely revealed in the charming personality of **SHIRLEY KINKAID. BOBETTE MAYNARD** is that "all in one" personality. History shows that she has achieved great fame in the athletic activities at Cal. A typical example of the strong silent type is **CHUCK JOHNSON** who has been prom chairman and president of the National Honor Society. Did you hear that golden voice floating through the portals of Calumet ever so often? You're right, that nightingale is our Petite **BETTY WOODWARD.** The February class had its outstanding senior in the person of **RICHARD ALM.** The students and faculty chose him as such, and he certainly deserves this honor.

OF IMPORTANT EVENTS

MID-YEAR PROM

The mid-year prom, held at the Shoreland Hotel, January 16, 1942 provided wholesome recreation for Calumet's seniors, who danced gaily to the music of Kenny Leighton.

The grand march climaxed the gala affair. It was led by George Jandacek and Joanne Leahy, the lady of his choice.

NEREIDES • GIRLS' BASKETBALL • BOARD OF SPORTS

Because of the war, courses in physical education have been made more intensive.

The course for boys has included running, climbing over obstacles, jumping over ditches and crawling through obstructions. And because boys must be made physically fit, work to develop the shoulder, the girdle, the muscles, and the abdomen has been emphasized.

The girls take exercises which endeavor to improve running power in case of an emergency. In addition to this, the girls are instructed in the fundamentals of First Aid.

Physical examinations had been given to all 4A girls to compare their present health with the condition they were in as freshies. Through this examination, the instructors of physical education discovered various changes. The teachers of this department attempt to help the girls correct any defaults.

The gym department seeks to help in the development of physically fit men and women for our country.

FOOTBALL 1941

Calumet's football team, under the leadership of a new coach, John Boyle, showed plenty of fighting spirit to finish the season in a sixth place tie with Parker and Morgan Park.

The team started the season very mildly by losing to Bowen 8-0 and tying the highly touted Parker team 0-0. In the Parker game Calumet twice knocked at the door of victory but could not move the ball over the stripe that means touchdown. In the first night game of the season an overflow crowd of cheering Calumet students saw their team turned back by Morgan Park 14-0, in which the game was much closer than the score indicates. The next two games showed Calumet getting stronger and even though we were defeated in both games the other teams had plenty of trouble winning. Hyde Park beat our boys 20-6 and the squad was nosed out by Hirsch 19-6.

In both of these games Calumet lead for three quarters of the game but in the last quarter both opposing teams managed to slip men through for scores. Calumet's winning bubble finally burst and they drubbed South Shore and Harper. Calumet defeated South Shore 19-6 and in this game Juhl Kauffman showed why he was elected most valuable player on Cal's team by passing, running, and kicking Cal to victory. Harper also took a lacing from our boys 19-14. These two victories spurred the student body to attend the game with Fenger in great numbers to see if our team could humble the thrice Public League champions. Fenger's power, however, was just too much for the squad and we lost 25-0 to bring the season to a close.

Nevertheless, Calumet turned out a very courageous team who were not disgraced by so many defeats. Many men of last year's team will return this year to lead Calumet to victory on the football field.

Calumet's senior basketball team upset pre-season predictions and turned out one of the best quintets in the city.

They finished the season by tying for second place with Hyde Park and missed winning the South Section Championship by only one basket in a heart-breaking game against Fenger.

The junior basketball team showed much promise of being next year's winner. The whole second string will return next season and all opposition had better watch its step.

BASEBALL

1942

Calumet's baseball team did itself proud during the past season by finishing a very high second place. A loss to Morgan Park in the last game of the season cost Calumet the South Section championship. Bowen took first place with only two losses, both of which were handed out by Calumet.

The team, which was made chiefly of reserves from last year, gave the school hopes of another championship team. The pitching staff, composed of "Lefty" Van Dam, "Lefty" Owles, and a newcomer, Frank Stout, was airtight in almost every game. The offense was even better than the defense with seven of the first team batting over .300. The team was led in batting by Art Alendorf with a neat .405 average. "Buns" Corcoran, batting well all season, finished with .372. Other batting support was lent by "Clean-up Man" George Da Luga, "Curly" Richardson, "Red" Burgess, Bob Evans, Johnny Sebastian, Dave Ittersagen, and Lou Luebke.

Practically a complete team will return again next year and Calumet is looked upon to be very high in the standings if not South Section Champions.

In the quarter-finals Calumet beat Crane, thus being one of the four teams left in the City, as we go to press.

TRACK FOR FORTY-TWO

Calumet has just completed one of its most successful seasons. Both Seniors and Juniors took South Section Championships and also placed fifth in the Chicago Teachers' Relays.

Next season's team will be weakened by the loss of these Seniors: Dave Johnson—city half-mile champion, Earl Gray—sprinter, Al Laurencikas—half miler, Bruce Sladek—broad jumper, and Jack Smith—pole vaulter.

With several letter men returning, Mr. Marshal hopes for another victorious season next year.

WRESTLING

Under the expert coaching of Mr. Dygert Cal's wrestlers came through with an excellent season; they won second place in the team city championship.

The varsity men were Schalkoph—95; Hyland—105; Gustafson — 115; Anderson—125; Galvin—135; Mohr—145; Sommerville—155; O'Connor—165; Tracy — 175; and Gauthier — Heavyweight.

SWIMMING TEAMS

Although there was not a South Central Section this season the Senior Team was defeated only by Fenger. Next season's team will be weakened by the loss of Lane, Gendlach, Anderson, and Cooper, who are graduating. Hipsher, who has competed in six city meets was Cal's only qualifier, placing third. If there is a South Central Section next year they hope to be one of the top teams.

HISTORICAL SKETCH OF CALUMET

No one seems to know a great deal about the beginnings of the Calumet High School. Old time residents of the district, however, state that it began its existence in 1891 in an unpretentious building called the Auburn Park Grammar School, located at Normal Avenue and Eighty-first Street. Mr. Avon S. Hall was its first principal.

When the village of Auburn Park became a part of the city of Chicago —so report states—but few rooms in the building were available for high school purposes but these few were utilized for secondary education. From that time on, for several years, the building, which housed both elementary and secondary pupils, became known as the Calumet High School and the Auburn Park Grammar School. Some classes, even music classes, were conducted in the four corners of the assembly hall.

The elementary school obtained its name, of course, from the village of Auburn Park. The name of the high school, however, claims a romantic origin. It was named after the Indian tribe that long ago roamed over this portion of the Illinois prairies. The head of an Indian chief in an appropriately befeathered war-bonnet still appears on Calumet's school flag. And somewhere else in the insignia there appears a calumet, the peace pipe. And, quite properly, the school annual carries on the tradition: Temulac is Calumet spelled in reverse.

After annexation to Chicago became an established fact, population in the district increased rapidly. The old school could no longer accommodate the influx of pupils. The high school pupils, therefore, were moved to some vacant rooms above a tavern located at that time on Vincennes Avenue and Eighty-first Street. This is not as disgraceful as it sounds, for the tavern had been a stage-coach stop for passengers traveling from Chicago to Detroit and thus a certain historical, and respectable aura surrounded it.

American educators, however, have never been sympathetic in attitude toward either saloons, or taverns. Also it seems likely that the godly among Auburn Park parents may have been irked by even the temporary expedient of sending their children to school in rooms above a tavern. At any rate soon after the Chicago Board of Education took charge of the schooling of youthful Auburn Parkers, an addition to the original building was built in 1897 and the high school pupils were transferred back to it.

There were, at this time, no street cars on Seventy-ninth Street. Truck farms, instead, bordered the thoroughfare and near by, extending as far as Halsted Street, there was quite a pretentious golf course. Fields dotted with myriads of wild flowers, stretched from Halsted to Western.

In February 1908 the first class was graduated from the Calumet High School. The five members of this distinguished group celebrated the event with a luncheon in the basement. Speeches were made by the principal and the faculty, and appropriate acknowledgment given by the graduates themselves. Mr. Hall was still the principal.

In February 1913, however, he left to become principal of the Joseph Medill High School and Mr. Grant Beebe was promoted from the faculty of Lane Technical High School to the principalship of Calumet.

Mr. Beebe immediately decided that a growing community like Auburn Park deserved a modern, well-equipped high school building, entirely separated from the old grammar school. He began at once to work toward this objective. The residents of Auburn Park supported the project enthusiastically and Mr. Beebe appealed to the Chicago Board of Education. The Board re-

sponded with instructions that Mr. Beebe prepare a floor plan and sketches for the building he had in mind and submit these for approval.

After long months of careful planning, which included consultations with teachers and interested parents, Mr. Beebe and his mechanical drawing department in charge of Mr. Booth submitted a set of plans to the Architectural Department of the Board of Education. These plans were received cordially, examined carefully, and finally accepted as basic for the new building.

The years passed. No building was built. Mr. Beebe never abandoned his project; Auburn Park parents and teachers never ceased to hope . . . The children talked of the new school . . . Finally, in November 1926, the new Calumet High School materialized. It is now standing on May Street between Eighty-first and Eighty-second Streets, and the children who attend it are confident that it is not only the most beautiful, but also the very best, high school in the city of Chicago.

In September 1926 several freshmen divisions began high school life in the new building. Amid the sound of hammers, saws, and planes, wading through sawdust and shavings up to their ankles, these pupils and their teachers carried on the business of learning and instruction to the best of their ability.

Not until November, however, was this new building ready for complete occupancy. Then one cold gray day the remainder of the Calumet High School pupils tramped the mile or more from the old school to the new. Neither pupils, or teachers, who took part in this exodus are likely to forget it. But if they do they can filch from the morgues of the local newspapers the pictures that were taken of the event. They will see themselves, as they looked then, young and gay, arms loaded with textbooks, drawing boards, tennis rackets, basketballs, and all the other equipment that could be moved by hand to the big new school their parents and teachers had dreamed about for thirteen years.

Mr. Beebe was not present on this momentous day. Two years previously he had been transferred to the principalship of Lane Technical High School. Nor was Mr. Willis E. Tower, his immediate successor at Calumet, present. Instead the march was headed by Miss Genevieve Melody, who had succeeded Mr. Tower, Calumet's principal for nine short months only, and then promoted to the position of Assistant Superintendent under William J. Bogan who had become Superintendent of the Chicago Schools.

From May 1, 1925 until June, 1933, Miss Melody was principal at Calumet. Under her able leadership teachers and pupils settled into the routine necessary for the successful carrying on of educational activity. Classes functioned smoothly; teachers and pupils were happy. They loved their beautiful new school and their capable, charming, and beautiful principal. Many teachers, still on the faculty at Calumet, speak affectionately today of the reign of "Good Queen Genevieve."

Every semester enrollment at Calumet enlarged alarmingly. Within two years pupil personnel doubled the original quota of 2,600 . . . Miss Melody, however, was equal to all administrative demands. Calumet became famous for its able teachers, its high class pupil-personnel, and its outstanding scholarship. Parents in neighboring districts clamored for permits so that their children might attend Calumet. They are still clamoring.

The discipline of so huge a student body might have presented difficulties. But Miss Melody, aided by Mr. Robert Burger, Dean of Boys, and Miss Alice McKinley, Dean of Girls, and with the cooperation of the faculty, and an unusually able engineering staff, solved all problems so well that the system she inaugurated has carried over to the present day. Calumet is a clean school, Calumet is an orderly school, Calumet's pupils are good citizens of the school, and the flowers, shrubs, and gardens of Calumet amaze all visitors by their beauty.

During the last year of her principalship Miss Melody was ill. She was absent a good deal but she never lost control of school affairs. Mr. Robert Burger, assistant principal, assisted by Mr. Earl Daugherty, carried on during

her absence in a manner that reflected credit upon his chief. In the summer of 1933 Miss Melody went to Sweden. There she died and was buried. But she will never be forgotten at Calumet. A plaque to her memory hangs in the auditorium. The Melody Scholarship Fund, supported by both faculty and students, pays the tuition of one outstanding graduate of Calumet each year at the University of Chicago.

Miss Alice McKinley holds a unique place in the affection of Calumet alumni. Surviving all changes of administration, and loyally serving under each new principal, her unifying influence was a prime factor in holding the school together.

For thirty-seven years Miss McKinley lived for Calumet. Daily from seven in the morning until the engineers requested her to leave in the evening, Miss McKinley was on the job. She never expected to be paid for overtime; the school was her life. She knew the name of every pupil; often, also, the name of his father, his mother, and his grandparents. She knew what was written on his final record card; she could catalogue his virtues, and she was aware of every trick he could play as truant or professional cutter of classes. She knew the kind of home each pupil came from, how many blankets there were on the beds, how much coal in the bin, and how much food in the cupboard. She spent her Sundays and holidays visiting homes. She spent a large part of her salary for milk, shoes, trousers, or carfare for needy pupils. She could well be considered the patron saint of Calumet.

In September 1935 Miss McKinley became sixty-five years of age. Under the recently passed retirement law this meant that she must leave Calumet. Her colleagues gave her a farewell party. They tried to show their appreciation; that was all they could do . . . Until her death in 1938 Miss McKinley lived quietly in her Chicago apartment, or paid visits to friends, many of them former pupils. But she was not happy; she could not enjoy life away from her beloved Calumet.

For one year after the death of Miss Melody Mr. Willis E. Tower was again principal at Calumet. The next year found Mr. Robert Jeffrey seated in the principal's office . . . Then followed two years under the administration of Mr. John Bartky . . . In September 1938 Mr. Elzy F. Downey succeeded him. In January 1940 Mr. Downey was retired, and Mr. Glenn C. Worst became principal.

During this march of events there has been constant change at Calumet among both pupils and teachers. But so gradually have these changes occurred, that a feeling of continuity has persisted. Each administrator, as he has come, and gone, has instituted changes, brought about reforms, suggested improvements. Teachers have died, or retired; new teachers have been added to the faculty and quickly assimilated. Seniors have been graduated. Freshmen have been enrolled.

Calumet goes on. Located, as it is, in a community of home owners who regard it as a personal possession rather than as a public institution, it will continue, for an indefinite number of years, to serve the community and to hold its own peculiar place in the hearts of the pupils, the alumni, the parents, and the teachers, who have lived its life and felt its influence.

This year of 1941-42, however, has brought another change. This time a change so sharp, and so tragic, that all have been saddened by it. The boys of Calumet—hundreds of them—are fighting for the preservation of the Flag of the United States and the Republic for which it Stands.

Calumet is proud of her soldier sons. She will keep the home fires burning while they are away. She will extend to them every possible service . . . And when the war is over she will welcome them back and try to assist them to readjust themselves to civilian life.

These returned soldiers, sailors, marines, and air corps men will have many chapters to add to the history of Calumet. And all of these chapters we are confident, will do credit to, and reflect glory upon their beloved alma mater, the Calumet Senior High School of Auburn Park.

In Photo-Engraving
IT'S QUALITY THAT COUNTS

We make quality photo-engravings. Funny thing about our business. Years ago a camera or two, a few bottles of acid and assorted pieces of metal might have been called an engraving shop. But times have changed! Modern, up-to-the-minute reproductive processes make more exacting demands upon the engraver. Regardless of the difficulties encountered with late copy — difficult copy — and the ever-present deadline—plate quality is always maintained at Wallace-Miller. You will find your proofs are exact reproductions of your copy—and with tone value matching tone value. We present this yearbook (which we helped design), as a sample of our craftsmanship in the art of photo-engraving. Open day and night.

CONGRATULATIONS—Calumet Graduates:

It is with sincere pleasure we commend you upon completion of your High School studies.

We hope the anxiety of your parents will soon be lessened by an early UNITED NATIONS VICTORY, and that you will not be called upon to serve in the armed forces of our country, yet if such should come to pass, know you will execute your duties with the same inspiration of success that has carried you thru school.

During this interim however, let's all BUY War Savings Stamps and Bonds, Collect Scrap, and do everything within our means to assist those who graduated a few years before you.

Good Luck and Happy Landing to each and every one of you,
